[1]Currently, information must be provided on forms available from the Science and Research Director (SRD) and submitted to the SRD at monthly intervals, postmarked no later than 5 days after the end of the month. Reporting frequency and reporting deadlines may be modified upon notification by the SRD. The SRD has modified the reporting requirements for those dealers holding Gulf of Mexico Reef Fish and South Atlantic Snapper-Grouper (excluding wreckfish) dealer permits. Those dealers must report prior to midnight 5 days following the end of any period (periods defined as: the 1st to the 15th; and the 16th to the end of the month).
