Recreational Retention Limits (see summary table below)

For additional information, visit www.safmc.net or call toll free 866/SAFMC-10

NEW! Shallow-water Grouper Closure - January 1 through April 30th, prohibition on recreational and commercial harvest of shallow-water grouper species including: gag, black grouper, red grouper, scamp, rock hind, red hind, coney, graysby, yellowfin grouper, yellowmouth grouper, and tiger grouper.

NEW! Vermilion Snapper Recreational Closed Season - November 1 through March 31, recreational harvest of vermilion snapper is prohibited.

New! Aggregate bag limit of three (3) groupers per person/day include:

*Black, *Gag, Misty, Red, Scamp, ***Snowy, **Speckled Hind, Tiger, **Warsaw, Yellowedge, Yellowfin, Yellowmouth Groupers, and also includes Blueline Tilefish, ***Golden Tilefish, Sand Tilefish, Coney, Graysby, Red & Rock Hind.

* **No more than 1 may be a gag or black grouper New!**

** 1 per vessel per trip. May not be sold or traded; no transfer at sea

*** No more than 1 fish may be snowy grouper

*** No more that 1 fish may be golden tilefish

Goliath Grouper - Closed to harvest or possession

Nassau Grouper - Closed to harvest or possession

Wreckfish - Only ITQ shareholders or their designees may harvest or possess wreckfish

Ten (10) snapper, excluding vermilion snapper, per person/day with the following exceptions:

New! Beginning January 4, 2010, the red snapper is closed to both commercial and recreational harvest for a period of 180 days with a possible extension of 186 days (interim rule in effect).

Maximum of 2 cubera per person for fish 30" Total Length (TL) or larger off Florida. These are not included in the 10 snapper bag limit. Cubera less than 30" TL are included in the 10 fish bag limit.

In addition, fishermen may retain:

One amberjack per person per day, (in April, limit 1 per person/day or 1 per vessel/trip, whichever is more restrictive)

A limit of 15 black sea bass per person per day

5 hogfish per person per day, off the coast of East Florida

3 red porgy per person per day or 3 per trip, whichever is more restrictive

5 vermilion snapper per person per day New!

(November - March recreational closure for vermilion snapper) New!

Other snapper-grouper complex species:

There is an aggregate bag limit of 20 fish per person inclusive of all fish in the snapper-grouper management unit currently not under bag limit, excluding tomatoes and bluerunners. This means you may catch your bag limits and in addition retain up to 20 other fish for which there is no bag limit.

NOTE: This summary is for informational purposes only and has no legal force or effect. Fishery regulations are subject to change.

Note: All species in the Snapper/ Grouper management unit must be maintained with heads and fins intact. (Cobia, king mackerel, Spanish mackerel, dolphin, and wahoo must be landed with heads and fins intact.) Goliath and Nassau grouper must be released by cutting the line and **not** removing the fish from the water.
