

## South Atlantic Update

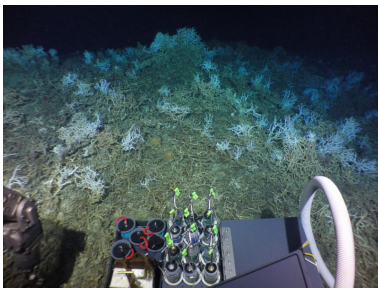

A Quarterly Newsletter of the South Atlantic Fishery Management Council  
Fall 2018

### From the Executive Director's Desk

Executive Director Gregg Waugh focuses on Special Management Zones and asks the question, "When will fishermen get some credit...?"

[Read more](#)

### Managed Areas - Protecting Marine Habitat and Fisheries

See how managed areas are helping fisheries and what the Council's new System Management Plan Workgroup is up to.

[Learn more](#)

### Apply Now for MREP 2019

*Where do data come from for stock assessments? How are decisions made that lead to fishery regulations?* Apply now for the opportunity to participate in the 2019 MREP Program to learn.

[Read More](#)

### Law Enforcement Officer of the Year

SC Department of Natural Resources Officer Randy Hering took time off from multi-day patrols following Hurricane Florence to accept his well-deserved award.

[Read More](#)

Learn how you can get involved in the Council's new Citizen Science Program - from reporting your fishing activity via mobile app to identifying fish (and fishermen) from the past.
