

Partnership Opportunities

Discussion Questions for the I&E AP

Projects/Campaigns/Initiatives

- What outreach/education campaign/initiatives have you and your agency/organization been working on?
- How can other agencies help to promote/support your project?
- How can we more regularly facilitate exchanges like this among Advisory Panel Members and their agencies/organizations?

Tools/Resources for Outreach

- What types of tools (software, social media, etc.) do you use to develop and deliver your programs/projects?
- Are there types of outreach tools/resources that you are interested in learning?
- How do you evaluate the success of your campaigns/initiatives?
