DRAFT
COUNCIL 2016/17 PRIORITIES

	A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P
30																
31	Notes:	1. Allocation Amendment would look at temporary allocation shifts (Yellowtail & Dolphin)														
32		2. Fisheries Seasonality/Retention - Golden tile H&L fishing year start; red porgy split season; jacks trip limit; shallow water spawning season closure; bag limits/aggregate bag limits; retention of rec bag limit by com fishermen														
33		3. G.Tile/Gray Trigger Abbreviated framework; update values only; no management measures														
34		3. G.Tile/Gray Trigger Abbreviated framework; update values only; no management measures														
35		4. SG Amendment 36 - Spawning Special Management Zones (SMZs)														
36		5. SG Amendmebt 37 - hogfish														
37		6. SG Amendment 41 - mutton snapper														
38		7. SG Amendment 43 - red snapper														
39		8. Cobia Framework - change bag limit														
40																
41	Background															
42	Notes:	1. Two amendment leads or 1 lead plus the social/economic analyses on non-lead amendments is a full load for each staff person.														
43		Need to build in some time to address new methods for analyzing impacts and for special topics that may surface.														
44		2. The Council could be addressing up to 10 amendments at each meeting; this is more than a full load for the Council.														
45		3. Items in bold are carry-over from 2015.														
46		Amendment = 4 quarters Reg Am = 3 quarters														
47		4. Draft items added in plain text are either non-snapper grouper items or items that were ranked high by the Council in 2015 but not completed.														
48		5. SG Reg Am 23 - jacks trip limit & golden tilefish fishing year														
49		6. SG Reg Am 24 - spawning season closure for shallow water groupers, red grouper size limit, restructure jacks complex,														
50		almaco trip limit, split red porgy season & remove deepwater size limits.														
51		Consider combining RA 23/RA 24 and adding assessment-related actions for golden tilefish & gray triggerfish														
52		7. New assessment results for golden tilefish, gray trigger & red snapper @ June 2016 Council meeting; add golden tile & gray trigger to RA 24?; red snapper in Am 43.														
53		SG Am 43 - address red snapper only actions from assessment; ok to remove current framework for opening, closures and add new items in one amendment.														
54		8. SG Am 38 (Blueline tilefish) - preliminary stock ID results @ December 2015 Council meeting; timing????														
55		9. Spiny lobster - may need an amendment to address catch > ACT?														
56		10. Coral/Shrimp - looking at allowable fishing areas for rock shrimp & modifying the areas for golden crab.														
57		11. New assessment results for blueline tile & red grouper @ March or June 2017 Council meeting; will require Reg Am to make these changes.														
58		12. Updating the Wreckfish ITQ - not shown above.														
59		13. Allocations & Short-term Visioning moved from 2015 and not shown above except temporary allocation shifts for yellowtail & dolphin.														
60		14. Discuss additional yellowtail changes at March 2016 meeting.
