Dear Mr. Cupka:

At the February 5 - February 8, 2013 Gulf Council Meeting in Mobile, Alabama, the Gulf of Mexico Fishery Management Council (hereafter: Gulf Council) reviewed the Joint South Atlantic/Gulf of Mexico Generic Headboat Reporting in the South Atlantic Amendment. After discussion, the Gulf Council approved the document along with any regulations deemed necessary and appropriate by the South Atlantic Fishery Management Council.

Thank you for the opportunity to review this document and we look forward to continued cooperative efforts to manage our nation's fisheries.

Sincerely,

Doug Boyd  
Council Chair
