

The Advisory Panel will discuss the following items under consideration in scoping Comprehensive Ecosystem-Based Amendment 3:

1. Protective measures for speckled hind and warsaw grouper in the mid-shelf fishery
2. Powerhead prohibition in EEZ off NC
3. Potential expansion of Coral HAPC areas
4. Consideration of expansion of Snowy Wreck MPA
5. Wreckfish fishery impacts to deepwater coral habitat
6. Impacts associated with deep dropping for other SG species
