

Dolphin and Wahoo Participatory

Workshops

CALLING ALL COMMERCIAL, FOR-HIRE & RECREATIONAL DOLPHIN AND WAHOO FISHERMEN AND INTERESTED COMMUNITY MEMBERS!

We Need Your Insights On:

- What are the major factors affecting your fishery?
- Where do the major risks in the fisheries lie?
- Where is targeted research needed to improve fisheries management?
- How do changes in ecosystems affect your businesses and communities?
- What do people value in the ecosystem?
- Have changes in environmental factors affected your fishery?

Our goal is to increase information flow between scientists, managers, and fishermen in support of improved fishery resources in the Atlantic.

Coffee and lunch are provided!
