15		3															
16		4															
17																	
18	<b>Notes:</b>	1. Allocation Amendment DW10/SG44 would look at temporary allocation shifts (Yellowtail & Dolphin)															
19		2. Fisheries Seasonality/Retention - Golden tile H&L fishing year start; red porgy split season; jacks trip limit; shallow water spawning season closure; bag limits/aggregate bag limits; retention of rec bag limit by com fishermen															
20		3. G.Tile/Gray Trigger Abbreviated framework; update values only; no management measures															
21		4. SG Amendmebt 37 - hogfish															
22		5. SG Amendment 41 - mutton snapper															
23		6. SG Amendment 43 - red snapper															
24		7. Cobia Framework - change bag limit															
25		8. SG Amendment 38 - blue line tilefish															
26		Highlight indicates suggested revisions or additions															
27																	
28	<b>Background</b>																
29	<b>Notes:</b>	1. Two amendment leads or 1 lead plus the social/economic analyses on non-lead amendments is a full load for each staff person.															
30		Need to build in some time to address new methods for analyzing impacts and for special topics that may surface.															
31		2. The Council could be addressing up to 10 amendments at each meeting; this is more than a full load for the Council.															
32		3. In general, Amendment = 4 quarters, Reg Amendment 3 quarters															
33		4. Coral/Shrimp - looking at allowable fishing areas for rock shrimp & modifying the areas for golden crab.															
34		5. New assessment results for blueline tile & red grouper @ March or June 2017 Council meeting; will require Reg Am to make these changes.
