

Become a **BFP MVP** with the South Atlantic Fishery Management Council's

BEST FISHING PRACTICES MASTER VOLUNTEER PROGRAM

WHO

YOU! Members of the South Atlantic fishing community that are interested in SAFMC project initiatives and involvement opportunities.

WHAT

An in person workshop covering best fishing practices, specifically for snapper grouper species, and how to get involved in Council initiatives, such as Citizen Science projects and the Council process. **This workshop is intended to be conversational, so bring your ideas!** Participants will receive a certificate of completion, informational materials to share in their communities, and a chance to win a descending device provided by our partners at Sea Grant.

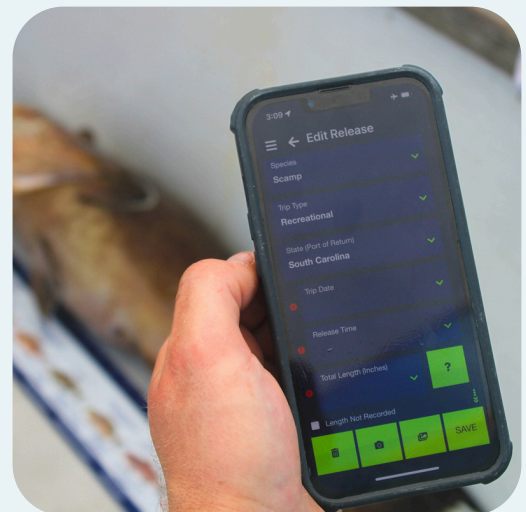

WHEN

November 19th: Wilmington, NC - Cape Fear Museum

November 20th: Morehead City, NC - Crystal Coast Civic Center

November 21st: Cary, NC - Bass Pro Shops

Workshop will be held 5:00 pm - 7:00 pm
