# **Outreach and Communication Strategy for SAFMC's Habitat Activities**

# Frequently Asked Questions

Review the document

An infographic will be developed and released in the next year

# Next Plans

- Social Media push on the Flow policy now emphasizing water and flow quality
  - This will occur post-policy approval after consulting with the SAFMC's outreach team
- Ecosystem Webpage
- CCC 50<sup>th</sup> Anniversary Habitat Article March 2027

# Habitat Focused Informational webinars

- Subsea Transmission Cable Habitat Impacts
  - Late July
  - Any weeks that don't work?
  - What is the best time of day for the HEAP?
  - How will these be announced?
  - Open to the public and non-decisional
- Port Everglades Deepening Project
  - BiOP postponed
  - Permit withdrawn
- Any additional recommendations?

Thank you
