# Next Meeting Format

# **Executive Order: Restoring America's Seafood Competitiveness**

- Council Staff will host a webinar summarizing the EO and providing the APs a chance to give their input for a draft response that the Council will approve for submission to NMFS at their September meeting.

**Please attend the webinar!**

- Will be held in early August (date TBD)
- Information (document and recorded presentation) as well as a public comment form will be available online for an extended period to provide ample opportunity for feedback.
