

Atlantic Coast  
Recreational Dolphin Catch Statistics  
Marine Recreational Statistics Survey (MRFSS), 1989-2003  
And  
Marine Recreational Information Program (MRIP), 2004-2014

Prepared  
8/28/2015

## List of Tables

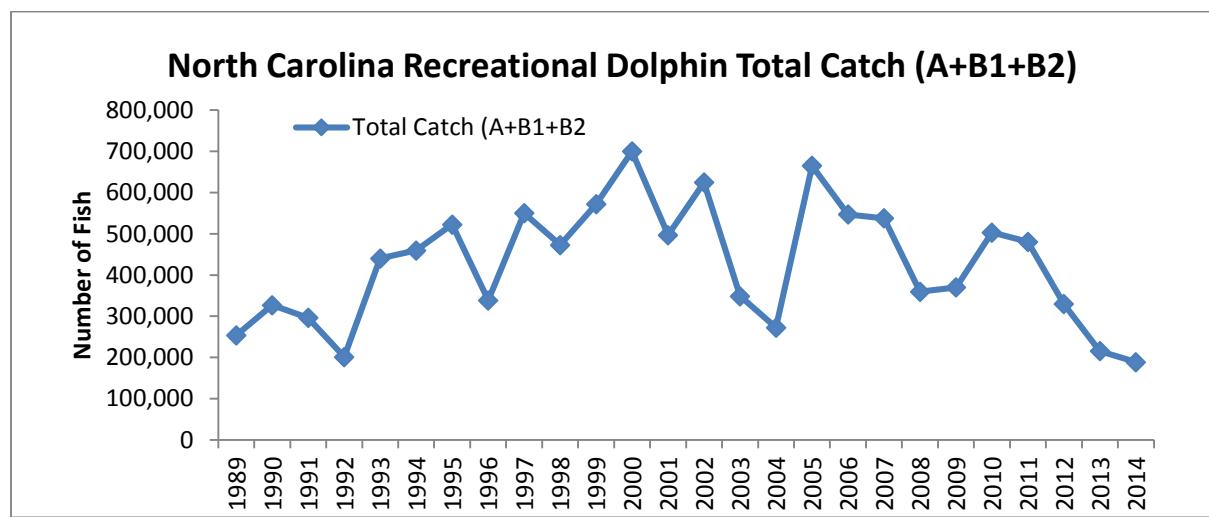

Table 1. North Carolina recreational dolphin catch (number of fish) by catch type, 1989-2014.....	1
Table 2. North Carolina recreational dolphin catch (pounds of fish) by mode and %, 1989-2014. ....	2
Table 3. North Carolina recreational dolphin catch (number of fish landed) by mode and %, 1989-2014.....	2
Table 4. South Atlantic recreational dolphin landings (number of fish) by state, 1989 through 2014. ....	4
Table 5. South Atlantic recreational dolphin landings (pounds of fish) by state, 1989 through 2014. ....	5
Table 6. Mid-Atlantic dolphin catches (A+B1+B2, number of fish) by state, 1989-2014.....	6
Table 7. Mid-Atlantic dolphin catches (pounds of fish) by state, 1989-2014.....	7
Table 8. North Carolina recreational dolphin landings by mode of fishing, 1989-2014.....	8
Table 9. North Carolina recreational dolphin landings (pounds of fish) by wave of fishing, 1989-2014. ....	9
Table 10. North Carolina recreational charterboat dolphin catch and trips in EEZ, 1989-2014.....	10
Table 11. North Carolina recreational private boat dolphin catch and trips in EEZ, 1989-2014. ....	11
Table 12. US Recreational Dolphin Catch by State, 2014. ....	12
Table 13. East Florida recreational dolphin catch by area fished, 1989-2014.....	15
Table 14. Recreational Dolphin Catch (pounds) in Mid-Atlantic and South Atlantic, 1989-2014. ....	16
Table 15. Recreational Dolphin Catch (pounds) in Caribbean and South Atlantic, 1989-2014. ....	17
Table 16. Recreational Dolphin Landings (number of fish) North of Cape Hatteras, 2004-2014.....	18
Table 17. Recreational Dolphin Landings (number of fish) South of Cape Hatteras, 2004-2014.....	18
Table 18. Frequency distribution of number of fish caught per successful angler trip. Percent and cumulative percent provided, 1989-1994. ....	20
Table 19. Frequency distribution of number of fish caught per successful angler trip. Percent and cumulative percent provided, 1995-2000. ....	21
Table 20. Frequency distribution of number of fish caught per successful angler trip. Percent and cumulative percent provided, 2001-2006. ....	22
Table 21. Frequency distribution of number of fish caught per successful angler trip. Percent and cumulative percent provided, 2007-2012. ....	23
Table 22. Frequency distribution of number of fish caught per successful angler trip. Percent and cumulative percent provided, 2013-2014. ....	24
Table 23. North Carolina recreational dolphin mean weight by wave, 1989-2014.....	25
Table 24. Number of angler trips in North Carolina by mode in the EEZ, 1989-2014. ....	26
Table 25. Directed angler trips in North Carolina for dolphin (when primary target) in the EEZ, 1989-2014....	27
Table 26. Directed angler trips by mode in EEZ when dolphin were found in catch (A+B1), 1989-2014.....	28
Table 27. North Carolina recreational yellowfin tuna landings along with dolphin landings (pounds), 1989-2014. ....	29

## List of Figures

Figure 1. North Carolina recreational dolphin catch (total number of fish including releases), 1989-2014.....	1
Figure 2. North Carolina recreational dolphin catch (pounds of fish) by mode, 1989-2014.....	2
Figure 3. North Carolina recreational dolphin catch statistics (percent of catch) by mode, 1989-2014. ....	3
Figure 4. South Atlantic recreational dolphin landings (number of fish) by state, 1989-2014.....	4
Figure 5. South Atlantic recreational dolphin landings (pounds of fish) by state, 1989 through 2014.....	5
Figure 6. Mid-Atlantic dolphin catches (number of fish, A+B1+B2) by state, 1989-2014. ....	6
Figure 7. Mid-Atlantic dolphin catches (pounds of fish) by state, 1989-2014.....	7
Figure 8. North Carolina recreational dolphin landings(number of fish) by mode of fishing, 1989-2014.....	8
Figure 9. North Carolina recreational dolphin landings (pounds of fish) by wave, 1989-2014. ....	9
Figure 10. North Carolina recreational charterboat dolphin catch and trips in EEZ, 1989-2014.....	10
Figure 11. North Carolina recreational private boat dolphin catch and trips in EEZ, 1989-2014.....	11
Figure 12. US Recreational Dolphin Catch by State, 2014. ....	12
Figure 13. EEZ East Florida Recreational Dolphin Catch, Charterboat and Private Boat, 1989-2014.....	13
Figure 14. EEZ Georgia Recreational Dolphin Catch, Charterboat and Private Boat, 1989-2014.....	13
Figure 15. EEZ North Carolina Recreational Dolphin Catch, Charterboat and Private Boat, 1989-2014.....	13
Figure 16. EEZ South Carolina Recreational Dolphin Catch, Charterboat and Private Boat, 1989-2014.....	14
Figure 17. East Florida recreational dolphin catch by area fished, 1989-2014.....	15
Figure 18. Recreational Dolphin Catch (pounds) in Mid-Atlantic and South Atlantic, 1989-2014. ....	16
Figure 19. Recreational Dolphin Catch (pounds) in Caribbean and South Atlantic, 1989-2014.....	17
Figure 20. Recreational Dolphin landings (number of fish) north of Cape Hatteras, 2004-2014.....	19
Figure 21. Recreational Dolphin landings (pounds of fish) north of Cape Hatteras, 2004-2014.....	19
Figure 22. North Carolina recreational dolphin mean weight by wave, 1989-2014.....	25
Figure 23. Number of angler trips in North Carolina by mode in the EEZ, 1989-2014. ....	26
Figure 24. Directed angler trips in North Carolina for dolphin (when primary target) in the EEZ, 1989-2014.	27
Figure 25. Directed angler trips by mode in EEZ when dolphin were found in catch (A+B1), 1989-2014.....	28
Figure 26. North Carolina recreational yellowfin tuna landings along with dolphin landings (lbs), 1989-2014. ....	29
Figure 27. North Carolina Number of Dolphin Caught at Size by Mode, 2014.....	30
Figure 28. Delaware Number of Fish Caught at Size, 2014.....	30
Figure 29. East Florida Number of Fish Caught at Size, 2014. ....	30
Figure 30. Georgia Number of Fish Caught at Size, 2014.....	31
Figure 31. Maryland Number of Fish Caught at Size, 2014.....	31
Figure 32. Massachusetts Number of Fish Caught at Size, 2014. ....	31
Figure 33. New Jersey Number of Fish Caught at Size, 2014.....	32
Figure 34. New York Number of Fish Caught at Size, 2014.....	32
Figure 35. North Carolina Number of Fish Caught at Size, 2014. ....	33
Figure 36. Virginia Number of Fish Caught at Size, 2014.....	33
Figure 37. Number of dolphin caught in North Carolina at size (inches), 2004-2007. ....	35
Figure 38. Number of dolphin caught in North Carolina at size (inches), 2008-2011. ....	36

**Table 1. North Carolina recreational dolphin catch (number of fish) by catch type, 1989-2014.**

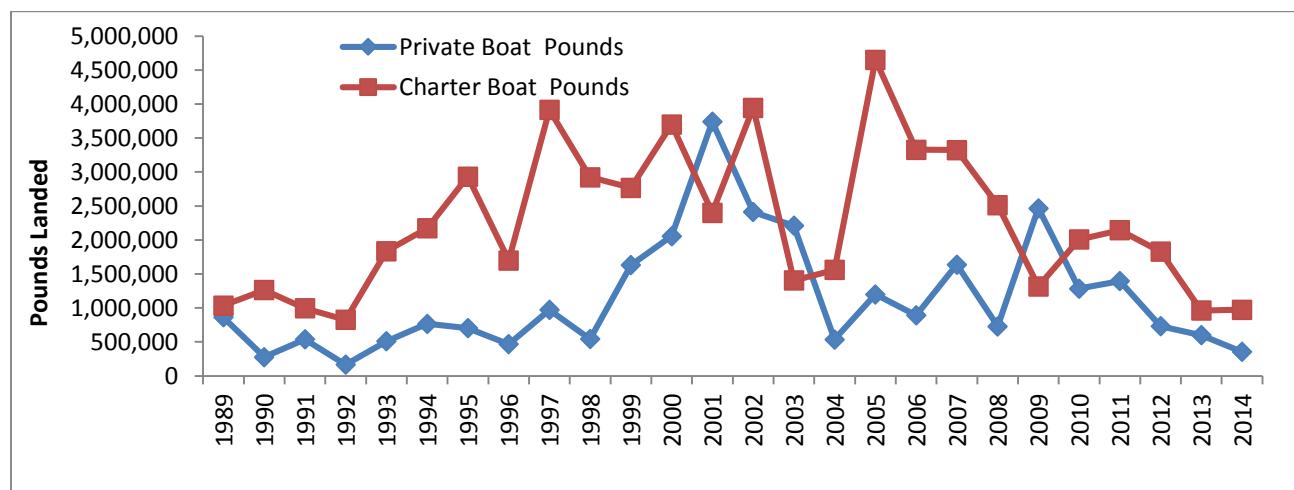

Year	Observed Harvest (A)	Reported Harvest (B1)	Total Harvest (A+B1)	Released Alive (B2)	Total Catch (A+B1+B2)
