OVERVIEW

SEDAR COMMITTEE

Agenda Approval

Minutes Approval – December 2018

1. Assessment Projects Update (Attachment 2)

Description: Staff will review the status of SAFMC SEDAR assessment projects. The projects update reports includes a brief description of the status of ongoing assessment projects and SAFMC future priorities. There is also an additional section for this version of the update that details the impacts of the government shutdown on SEDAR projects. The Committee will be updated on the latest status of the rescheduling effort and the impacts to SAFMC SEDAR projects.

Required Committee Action: Provide guidance on SEDAR Projects:

- Consider recommendation to cancel the Red Porgy in-person workshop
- Consider a joint review of King Mackerel in 2020
- Consider King Mackerel TORs for approval

2. SEDAR Steering Committee

Description: The SEDAR Steering Committee will next meet on May 16-17, following the CCC meeting in Charleston, SC. The Steering Committee will discuss assessment priorities and the assessment process including the research track approach, and likely devote considerable effort to recovering from the 2019 government shutdown.

Required Committee Action: Provide guidance for the Steering Committee representatives.
