Subject: Fwd: 20 A-urgent

>
> Dear Council,
>
> Scott Vaeth, Pete Boehm & Sustainable Seafood Solutions preferred alternatives for 20A, are a mirror image of the council's.
>
> Action 1: Alternative 3
> Action 2: Alternative 3-option b
> Action 3: Alternative 4
> Action 4: Alternative 2-sub alternative 2b
>
> One serious concern we have is the AP panels recommendation of eliminating the ITQ program! This is not a reflection of industry opinion, an AP panel needs to reach out to fishermen prior to making such a monumental recommendation. I urge council to look into their other recommendations and make sure they reflect the needs and opinions of the men they represent.
