OVERVIEW

SEDAR COMMITTEE

Agenda Approval

Minutes Approval – December 2017

1. SEDAR Projects Update – (Attachment 1)

Description: The purpose of this agenda item is to keep the Council informed of ongoing assessment projects. Attachment 1 provides (I) a summary of current SAFMC assessment projects, (II) a list of current and planned projects, and (III) potential future priorities. The existing assessment work plan from 2017 – 2021 addresses all of the SAFMC stocks currently assessed through SEFSC.

2. SAFMC SEDAR Committee: Function and Purpose Overview – (Attachment 2)

Description: Because it has been many years since there was any general discussion of SEDAR practices, staff will provide a summary of the function and purpose of the SAFMC SEDAR Committee.

3. SEDAR Steering Committee Spring Meeting – (Attachment 3)

Description: The SEDAR Steering Committee will meet in person in Spring 2018. A specific date will be selected following appointment of a new SEFSC Director. Several topics that are likely to come before the Steering Committee are highlighted in Attachment 3 so that the Council can provide guidance to the SAFMC representatives.

Required Committee Action: Provide guidance for the SAFMC representatives to the SEDAR Steering Committee.
