   3. Item II of appendix A to part 570 is amended by adding paragraphs G and H to read as follows:

   * * * * *

   II. Operational and Managerial Standards

   * * * * *

   G. Asset quality. An insured depository institution should establish and maintain a system that is commensurate with the institution's size and the nature and scope of its operations to identify problem assets and prevent deterioration in those assets. The institution should:

   1. Conduct periodic asset quality reviews to identify problem assets;

   2. Estimate the inherent losses in those assets and establish reserves that are sufficient to absorb estimated losses;

   3. Compare problem asset totals to capital;

   4. Take appropriate corrective action to resolve problem assets;

   5. Consider the size and potential risks of material asset concentrations; and

   6. Provide periodic asset reports with adequate information for management and the board of directors to assess the level of asset risk.

   H. Earnings. An insured depository institution should establish and maintain a system that is commensurate with the institution's size and the nature and scope of its operations to evaluate and monitor earnings and ensure that earnings are sufficient to maintain adequate capital and reserves. The institution should:

   1. Compare recent earnings trends relative to equity, assets, or other commonly used benchmarks to the institution's historical results and those of its peers;

   2. Evaluate the adequacy of earnings given the size, complexity, and risk profile of the institution's assets and operations;

   3. Assess the source, volatility, and sustainability of earnings, including the effect of nonrecurring or extraordinary income or expense;

   4. Take steps to ensure that earnings are sufficient to maintain adequate capital and reserves after considering the institution's asset quality and growth rate; and

   5. Provide periodic earnings reports with adequate information for management and the board of directors to assess earnings performance.
