

INFORMATION AND EDUCATION COMMITTEE OVERVIEW

JEKYLL ISLAND CLUB
371 RIVERVIEW DRIVE
JEKYLL ISLAND, GEORGIA
March 2, 2006

Issues to be addressed at this meeting include the following: (1) redesign and upgrade of the Council's web site www.safmc.net and Committee recommendations, and (2) options regarding the printing and distribution of the Council's newsletter, the *South Atlantic Update* and Committee recommendations.

Update on Progress of Redevelopment of the Council Website

The Committee will receive an update on the status of redesign and upgrade of the Council's web site. Work on the site is being completed cooperatively through MapWise, the contractor responsible for the initial design for the Habitat/Ecosystem portion of www.safmc.net. After receiving an overview, the Committee will have an opportunity to provide recommendations regarding the layout/design, ease of navigation, content, and additional items to consider for the new site. The developing site is currently accessible at:

Options Regarding Printing and Distribution of the South Atlantic Update Newsletter

The Committee will receive an overview of the current publication and distribution of the quarterly newsletter. The Committee will provide recommendations regarding options for continued printing, and electronic distribution and capabilities utilizing the redesigned web site. Copies of the *South Atlantic Update* can be accessed at www.safmc.net in the "News" section.
